

Training for a Michigan Concealed Pistol License

Tri-County Sportsmen's League has prepared over 1200 people for a Michigan Concealed Pistol License (CPL) with the NRA *Personal Protection in the Home* course. This is not a "boot camp" - the course goal is to develop in the students the basic knowledge, skills, and attitude essential to the safe and efficient use of a handgun for protection of self and family, and to provide information on the law-abiding citizen's right to self-defense.

We offer high quality instruction from an experienced staff of NRA Instructors in a non-smoking, supportive, classroom and range environment.

- ✓ Learn to recognize the physiological and psychological changes that occur to your body in a life threatening situation and how to cope with them.
- ✓ Shoot with your "weak" hand, from behind cover, and practice point-shooting (without sights)
- ✓ Shoot in a covered, outdoor pistol range.
- ✓ Train at, and perhaps join, one of the most active sportsmen's clubs in Michigan

The class fee includes an opportunity to improve your defensive shooting skills at Tri-County Sportsmen's League by participating in an International Defensive Pistol Association (IDPA) match. Here you will learn to draw from a concealed holster, make use of cover, and reload under tactical conditions. IDPA matches are held monthly at the club.
