The **Youth Air Rifle Program** is about to start a new season! All prior participants are welcome back for another fun year. New youth between the ages of 10 and 18 are welcome to join the fun. The program will begin on October 20, 2004 at 7:00 PM. Newcomers must pre-register with Jim Morris at 734-487-6031 or jmorris_3@yahoo.com, class size is limited. We meet the first and second Wednesday of each month from October 20 to April 20 at 7:00 PM. Check the TCSL web page for more information or pick-up a brochure at the clubhouse.

Fellow members and friends; On August 5th 2004 the Board of Directors of Tri-County Sportsmen's League agreed to continue the expansion of TCSL's pistol and rifle range safety program. The next step is to invite all shooting members to attend a re-qualification safety course. Our objective is to keep the pistol and rifle ranges safe for ultimate survival of the club. We feel the growing urban development around us requires this action.

The dates now set for the course are as follows:

Monday August 23rd,

Tuesday September 7th,

Saturday September 11th,

Tuesday September 14th,

Tuesday September 21st.

The weekday courses are from 7pm to 8:45 pm. The weekend course is 8am to 9:45 am.

The dates for the November and December classes will be posted shortly. To use the ranges unsupervised, a member must complete the required course by January 1st.

After January 1st pistol and rifle range privileges will be denied if training is not

completed. Please contact our club managers for class confirmation and details. Thanks.

Sincerely Jon Rule Range Safety Coordinator.

Training for the Michigan Concealed Pistol License

Tri-County Sportsman's League offers NRA "Personal Protection in the Home" courses that exceed the training requirements for a Michigan CPL. This is not a "Boot Camp" – the course goal is to develop in the students the basic knowledge, skills, and attitude essential to the safe and efficient use of a handgun for protection of self and family, and to provide information on the law-abiding citizen's right to self-defense.

We offer high quality instruction from an experienced staff of NRA instructors in a non-smoking, classroom environment. Learn to recognize the physiological and psychological changes that occur to your body in a life threatening situation and how to cope with them.

Shoot with your "weak" hand, from behind cover, and practice point shooting (without sights).

Shoot in a covered, outdoor pistol range.

You will have the opportunity to train at, and perhaps join, one of the largest sportsman's clubs in the state of Michigan.

You may choose to improve your defensive shooting skills at Tri-County Sportsman's League by participating in an International Defensive Pistol Association (IDPA) match. Several NRA Instructors who teach the Personal Protection classes also help run the IDPA matches at the club.

Attention Archers!

How about getting together the last Tuesday of every month, 6-7pm, on the range to meet, greet, and practice with other members? We can discuss club news, attend other club shoots, and plan some for OUR club next year! I know there are members that use the range, let's put all our efforts together and better all skills! Tri-County Sportsmen's League used to have a group that traveled to these types of functions.
