## Training for the Michigan Concealed Pistol License

Tri-County Sportsman's League offers NRA "Personal Protection in the Home" courses that exceed the training requirements for a Michigan CPL. This is not a "Boot Camp" – the course goal is to develop in the students the basic knowledge, skills, and attitude essential to the safe and efficient use of a handgun for protection of self and family, and to provide information on the law-abiding citizen's right to self-defense.

We offer high quality instruction from an experienced staff of NRA instructors in a non-smoking, classroom environment.

Learn to recognize the physiological and psychological changes that occur to your body in a life threatening situation and how to cope with them.

Shoot with your "weak" hand, from behind cover, and practice point shooting (without sights).

Shoot in a covered, outdoor pistol range.

You will have the opportunity to train at, and perhaps join, one of the largest sportsman's clubs in the state of Michigan.

You may choose to improve your defensive shooting skills at Tri-County Sportsman's League by participating in an International Defensive Pistol Association (IDPA) match. Several NRA Instructors who teach the Personal Protection classes also help run the IDPA matches at the club.

2004 Personal Protection Class Schedule, **November: 5-6, December: 3-4**

## Dance Committee

Our Dance Committee wishes to thank all who help during the season. We have plenty of room for MORE helpers. Need to work your hours, call Gerald Miller (734) 429-2680.

Even though the Dances are open to the public, \$12.00 per couple, as members you are invited to attend. The price is only \$7.00 per couple. Where else can you spend an evening having fun and good fellowship for that price? The music is always easy to listen to if you don't feel up to dancing. Join us!

## MONTHLY DINNERS:

WEDNESDAY,  
NOVEMBER 10TH  
TURKEY  
5:00 – 7:00PM

**Fellow members and friends:** Our mandatory re-qualification Firearms/Range Safety Orientation is moving along nicely. There have been seats available for all sessions of this excellent retraining of our shooting membership. Try not to let your requirement to attend lapse into the New Year. There will be fewer classes as we go into hunting season and the year-end holidays. Family members and frequent guests are welcome and encouraged.

The dates now set for the course are as follows:

**Tuesday November 9th 7pm-8:45pm.**

After January 1st unsupervised pistol and rifle range privileges will be denied if you have not attended this course. Thanks. Jon Rule, Range Officer Coordinator.
