Training for the Michigan Concealed Pistol License

Tri-County Sportsman's League offers NRA "Personal Protection in the Home" courses that exceed the training requirements for a Michigan CPL. This is not a "Boot Camp" – the course goal is to develop in the students the basic knowledge, skills, and attitude essential to the safe and efficient use of a handgun for protection of self and family, and to provide information on the law-abiding citizen's right to self-defense. We offer high quality instruction from an experienced staff of NRA instructors in a non-smoking, classroom environment. Learn to recognize the physiological and psychological changes that occur to your body in a life threatening situation and how to cope with them. Shoot with your "weak" hand, from behind cover, and practice point shooting (without sights). Shoot in a covered, outdoor pistol range. You will have the opportunity to train at, and perhaps join, one of the largest sportsman's clubs in the state of Michigan. You may choose to improve your defensive shooting skills at Tri-County Sportsman's League by participating in an International Defensive Pistol Association (IDPA) match. Several NRA Instructors who teach the Personal Protection classes also help run the IDPA matches at the club.

2005 Personal Protection Class Schedule, **January 7-8, February 4-5**

Dance Committee

Our Dance Committee wishes to thank all who help during the season. We have plenty of room for MORE helpers. Need to work your hours, call Gerald Miller (734) 429-2680.

Even though the Dances are open to the public, \$12.00 per couple, as members you are invited to attend. The price is only \$7.00 per couple. Where else can you spend an evening having fun and good fellowship for that price? The music is always easy to listen to if you don't feel up to dancing. Join us!

Civilian Marksmanship Program News!

As a benefit to our members, Tri-County Sportsmen's League is now offering a course of fire that will satisfy the shooting requirement for purchasing firearms from the CMP. The qualification will be administered by Senior Range Officer Dennis Osborn. The exercise will be performed with a 22 rimfire rifle on our 50 yard range. You can use your gun and ammo or Dennis has generously volunteered to allow the use of his if you prefer. Dennis estimates that the total time required will be approximately 30 minutes. The cost of the certification is \$10.00. Please pay Dennis at the time of the exercise. Please stop by and see Dennis or call the Club to make an appointment.
