Presidents Report

We have had a lot of activity in the past month. Your club has been very busy and we have accomplished a lot with the help of our members. The problem with the dance committee worked itself out with the help of the chairman and the dance committee itself.

Lobby Day was a big success and we had a lot of clubs attend with their State Representatives. June 17th, 18th, & 19th will be the annual convention of MUCC in Lansing. We will have 6 votes and I will be going with Jim Van Loon. Both Jim and I have a copy of the agenda. This in my opinion is one of the most important meetings for hunters, shooters and environmentalist to attend.

Clean Up Day was a huge success. We had over 30 people show up to help and the grounds look a lot better. Dennis and his crew cleaned up the front area and took out some dead trees and stumps. We had people working on the flowerbeds out front and cleaning up the lower branches of the pine trees. I know we fed at least 30 people and more showed up in the afternoon. It was a lot of fun and I was told by a few of the people who do more than their share that it was nice to see other members come out and help. There were trucks, trailers, end loaders, and tractors donated for the work that day. Even got Rusty Finch to do some berm work over by the 50 rifle range.

Joe and Jo Ann did manage to get married in the gazebo. It was somewhat damp but the wedding was dry. Everyone at the party had a great time. We did get the upstairs kitchen bar done in time. It was a little close though with maybe an hour to spare. We all wish you many happy times and years together as Mr. And Mrs. Joseph Chie.

Your Club is still open from 10AM until 6 PM Monday thru Saturday for you. Come in and have some fun. For those of you who did not get a chance to work on clean up day, there is still a lot of work to be done around the club. I know the Pistol Range is going to need some help with a project they have going; see Mike Cowhy. There is still some clean up to do around the grounds. If you need to get some hours in just stop by the club and see one of the club managers. They can always use some help.

All Club Functions, including Trap, Dance, Pin Shoots, Black Power events, Turkey Shoots, Weddings and hall rentals need to be put through the club managers and in the book. Every function that takes place on club property or is club sponsored needs to be in that book. We have had a few close conflicts and these can be easily avoided by getting items cleared by the club managers. This system works when it is used.

Mike Haynes won Gun A Month from Homer GA. in care of someone at the club. Congratulations Mike

Add – IDPA, Range Safety Committee, Public Relations

One year after we established the TCSL safety program, we find our job bigger than ever. We are still looking for some members to finish their required gun safety training by attending orientation. Our next step is to engineer our ranges to acceptable standards as prescribed by the NRA. You see a lot of work being done on the ranges. This takes a lot of labor and money. You can help by volunteering hours and coming to the events that produce income for the club. Come to the steak fries, monthly dinners, special shooting events at the ranges, buy that yearly range pass or stop and buy lunch at the clubhouse. These are the things that may very well determine our future. The members you see working at the club on a regular basis have only one thing in mind. *Having this club here for our kids to use!* The Editor
