**September 2005**

### From Your President William Feight Jr

Our Club has been very busy the past Month. The Steak Fry went well last month, and Burger Night last Thursday was a big success. We had a big wedding Saturday Night, and we did have enough help to pull it off.

Mike has been working overtime on the new action range, and has the eyebrow up and covered. He did an excellent job in getting a roof on it. They were working Saturday in the rain. I think it might be ready for the IDPA Shoot this week.

Mark Payeur is back from vacation, and has been keeping the grounds looking good. Mark could use some more help with the grounds. The brush by the rifle ranges has been burned, and he had the area around the Gazebo looking good for the wedding. I think Dennis may have another mower for the club. We will have to wait and see.

We need more help!!! It seems that the same 10 people show up to help at every club function. There are ranges to be cleaned and fixed, brush to be cleaned up, light bulbs to be changed, parties to be set up and cleaned after, and Burger Nights and Steak Fries need more help. Rob Schoenberger was back and helped a lot with the Burger Night, but he is still not 100% and can not do it all by himself.

### There will be a Membership

**Meeting** this month on September 15. We will need help in the kitchen, and on cleanup. Note, the Membership and Board meetings now start at 7PM.

**We still have Raffle tickets** to sell on both the Flight of a Lifetime, and on the new Gun Raffle. Rob Bolog has been working hard to get all the Gun Raffle tickets sold before the 1<sup>st</sup> gun drawing on the 15<sup>th</sup> of September. He has a lot of tickets out, and would like the money back before the membership meeting. **MONEY, NOT TICKETS.**

**Relay for Life** will be putting on the Steak Fry this month, August 26, 2005. They are doing most of the work, but there is always more to be done. All proceeds from the dinner that night will go to the Relay for Life Cancer Fund. If I can possibly be there I will. I will have surgery the day before and will more than likely have two very black eyes.

**We have another Wedding** on September 3<sup>rd</sup> and will need all the help we can get. We need people to serve, clean up, bus tables, and work with the bar.

**I must close on a sad note.** Millie Olson passed away Thursday August 18<sup>th</sup> at St. Joseph Mercy Hospital. Our club will miss her. Her Funeral will have been Monday. Also, Donald Kelsey, of Milan died Friday morning August 19 at Heartland Health Care Center in Ann Arbor. It is my understanding that he was very active at Tri County.

*Enjoy the rest of your summer*

### **Winners Choice Gun Raffle Update! From Rob Bolog**

The membership response to the Winners Choice monthly gun raffle has been phenomenal! I want to thank all of the members who have volunteered to help sell tickets. Let's try and get them sold and the money turned in as soon as possible. Our goal is to sell all of the tickets before the first drawing on September 15<sup>th</sup>. 490 tickets had been sold or signed out as of this writing! We are only selling 500 tickets on this raffle so if you have not purchased yours yet, stop by the clubhouse and do so. Once the tickets behind the bar are gone, we will try to chase down a member who might have one left for you. The winners of this raffle get to chose one of over 30 firearms each month or a \$350.00 Mill Creek Gift certificate. It's the Winners Choice! Any questions can be directed to me by email at [Rtbolog@att.net](mailto:Rtbolog@att.net) or the Club Manager at (734) 429-9561. Thanks again to all of the volunteer salespeople. See you around the club!

#### **Board of Director, Ypsilanti**

Tri-County Sportsmen's League has been experiencing rapid growth with new events and activities that we did not have several years ago as well as an increase in overall activity. This is a very exciting time here at TCSL and it would not be possible without a lot of hard work. From the President down to our newest members, we all have an important role to fill.

The most important of those rules is, of course, **SAFETY** and we manage this by establishing and enforcing a set of rules and procedures that must be followed by each and every member and guest, without exception. Although the majority and most critical of these rules revolve around the use of the various ranges, they also pertain to the different functions that occur at the different locations within the boundaries of our property.

Because of this rapid growth it has been necessary to continually monitor the cause and effect and revise the rules as needed to ensure that everyone that steps onto the TCSL grounds, for any reason, is protected to the best of our abilities. However, in order for this to be possible everyone must be aware of these rules and any changes that are made.

This communication is initiated, at minimum, within our newsletter that is sent to every member. In the format of your choice, whether it be via an e-mail notification that you can download from the internet or a hard copy mailed to your address, your TCSL Newsletter is sent to you every month in order to keep you informed of current and upcoming events at TCSL including critical information such as "Rule Changes".

#### **As members you have a responsibility to follow through and become educated on any changes that are announced.**

In order to better assist our members in keeping up with any urgent announcements we are pleased to announce the "Urgent Information and Announcement's" section that will be found in every TCSL Newsletter beginning this month.

In this section you will find announcement's that are **CRITICAL** to each and every TCSL member. If you Only read one article, read this.

If you do not read the newsletter at all, start reading this section every month.

We each have different amounts of time to devote to TCSL. However, as a TCSL Member, you must take the initiative to keep yourself informed of any changes that occur.

I am certain you will find the "Urgent Information and Announcement's" addition to be a great tool in staying on top of important changes at TCSL during this exciting time.

I wish you and your family many safe and fun filled days at Tri-County Sportsmen's League.
