NOVEMBER 2005 FROM YOUR PRESIDENT BILL FEIGHT

Hunting Season is upon us. This means a lot of fun for some of us, and a lot of work for the Range Officers. There is always an increased use of the ranges just before the gun season. It is good to make sure your weapon is safe and in good condition before hunting season. It is also a good idea to make sure you can hit what you are aiming at after almost a year of not shooting. As a Sportsmen's and conservation club we have an obligation to be prepared when we go out into the field. It does seem that we are getting some damage to the ranges when the range officers are not there. Even with our Orientation classes and all the safety precautions we have in place. There has also been another incident of a non-member trying to shoot on our ranges and driving past the clubhouse down to the ranges. Even with our new sign. I would not like to see the ranges only open when a range officer was present, but if we cannot stop the damage it might have to come to that.

We still need help with many club functions. In October we have had a lot of things going on, and still have some more. The Home Builders Association Dinner was a big success we still have another Turkey Shoot this month. The 4th Friday Steak and Chicken Fry can always use more help. It seem the same people have been doing that for 5 years or more. We have a Halloween Big Band Dance on the 29th and a Kids Halloween Party on the 30th. It will be Free to all members' guests and neighbors. Donations accepted.

This will be the last Steak Fry this year. With Thanksgiving and Christmas being so close to the 4th Friday of each month I feel it would be a waste of time.

Youth Air Rifle is up and running already. The Tuesday night Black Powder shoots are going to change time and day over the winter. That is a lot of fun even if the backstop is the only target you hit on a regular basis like Buffalo someone. We still have Euchre every other week that is also free to members and guest with only a donation for the food ask for. It has also had club Steak Dinners as prizes for the past couple of months.

The Tellas Family has decided to put on a Michigan vs. Ohio State Football Party. It will have a taco bar and other Mexican foods, along with drink specials and a 50/50 raffle. Starts one hour before kickoff!

We had two good Cleanup days. Mark and his crew did a lot of work. We had 11 people on the 1st, which was published in the newsletter, and 17 people on the 15th, which is what was suppose to be. Good Job guys.

Continued in the next column

IDPA are running an open IDPA style shoot on the new action range during the Turkey shoots. There is a minimal charge. They would like to club to know what they do and see how much fun it is.

Read your Newsletter for many more things your club is doing for you. If you hunt, hunt safely, if you shoot, shoot safely. **Bill Feight**

From Rob Bolog Milan Area Director
Congrats to Tom Bougie of Dexter who won the October Winners Choice raffle. We have a few tickets behind the bar. There are 10 drawings left on the tickets so stop in and get yours soon!

Did you know that dues cover 46% of the clubs fixed expenses? The remainder has to be made up by special events, parties and clubhouse rentals. The events listed below make money for the club. That's how we keep the dues down. We also are trying to raise money for improvements in both the clubhouse and the ranges. You can call the club manager or stop in the club and sign up on the sign up sheets near the door. It's not too late to get your 10 hours in for the year! Help if you can. Thanks

From Warren Cheesewright Archery Chairmam

Thanks for a great season of archery at Tri-county. We had a lot of archers go through the 3-D course and range this year. In our monthly shoot's open to the public were a great success and expect an even better turn out next year. A big thanks goes out to Jim Pryce and Family for all there help and support in maintaining the range this year and also to the Muller family and Rick Carr for attending most events. Get your hours in and volunteer at tri-county.

Thank you for your support

Black powder Shooters Club

Tri-County's black powder club is approaching the end of its inaugural year of events. The Tuesday Night shoots have been replaced with Saturday events due to the time change. Take note of the time changes. This will finish this years shooting, but we will begin the 2006 season in January. We continue to look for Flintlock Rifle and single shot pistol shooters.

There will be approximately 30 events to attend in 2006. Also look for some inline rifle events to accommodate our modern black power shooters. Hopefully we will arrange some small seminars on specific black power subjects, such as casting, flintlock, history etc. See your newsletter for these coming events. **It's Not Just for
Turkeys Anymore
TCSL is having a
Defensive Pistol
Scenario Shoot**

Perhaps you've wondered what it would be like to shoot a Self Defense Scenario with your handgun but didn't know where you might try it. Or, perhaps you've heard about the IDPA group at Tri-County and wondered what that was all about but were shy about coming to a match.

Well, here's your opportunity!

Bring your handgun along with your rifle or shotgun to the Turkey Shoots this year. You will be able to try your hand at a Defensive Pistol Scenario on our new Action Pistol Shooting Range.

This falls, on the same days as the Turkey Shoots (October 23rd; and November 6th and 13th) the Tri-County Sportsman's League IDPA Safety Officers will be running a practice Defensive Pistol Shoot on the new **Action Pistol Shooting Range**. For \$5 for TCSL members and \$8 for non-members you can sign up and shoot both scenarios as many times as you can fit in the day (in rotation with other shooters). For October 9th, all shooting will start with the gun on a table. All safe handguns are welcome regardless of caliber (no 50's please) and experienced IDPA Safety Officers will supervise all shooting.

So, bring your handgun and join us for the fun.
