APRIL 2006 Presidents Report

For the next couple of weeks or more it might be a good idea to call the club before coming out to use the ranges. We are working on the ranges and the volunteers work when they can find the time.

We are planning on a club yard sale. I am going to suggest June 2ed thru June 3ed. If you have something around the house to sell, bring it out and we will see if we can all have some fun.

This club is a very diverse club. We have Dance, Trap, Rifle, Pistol, and many other functions that make up a very special and varied organization. As a group we should be very proud of what we do for the Youth of the area, and for Conservation.

Our articles of Incorporation state that we are for the preservation and propagation of Fish, Game, and Wild Fowl, both native and foreign.

Our By Laws state that we are to provide and promote citizen action in the protection of our environment and the proper and wise use of our natural resources. To dedicate our selves to the protection of our interests as sportsmen, including the betterment of hunting, fishing, hiking, camping, boating, shooting or other activities. To provide social activities for the members for their enjoyment and recreation. We also have other charges that are in the first part of our By Laws. I think we should be proud of who we are and what we do in the community.

Enjoy the Spring, and Summer.

**Your President
William Feight**

2006 BOWLING PIN SHOOTS

The 2006 Bowling Pin Shoot season is getting very near. The fees will remain the same @ \$12.00 for each division you shoot in. There are 5 different divisions. They are; Stock Revolver, Modified Rev., Stock Semi-auto, Mod. Semi-auto and 22cal. You may still shoot in as many different divisions as you like. This year I hope to have more tables built and run a program where shooters can come to the event any time of the day, sign-up and pay for the different classes they want to shoot in, then shoot their 6 tables all at once and leave, if they wish, without having to stay all day, as it has been in the past. This, of course, will take more manpower. I am looking for a team of members who will help me run this set-up throughout the season. My hope is to get more shooters in and out more quickly, in the course of the day and hopefully interest and attendance will increase. With more tables, more help and more shooters (and even different classifications of shooters in each division) it should be a very exciting year.

Dates APRIL 23, MAY 21, JUNE 11, JULY 16, AUG.13, (mixed doubles) and SEPT.10th. Sign-up will begin @ 11:30 and throughout the day. Shooting starts @ noon.

Black Powder Shooter Club

We're off to a great season of Black powder events. The shooters club is beginning to see some new interest this year along with some new faces. Our "Bacon & Eggs" shoot in March was a hit and we look forward to our "Easter Bunny Match" on Saturday April 1st @ 10:00 am at the 50 yd Range. On Saturday April 15th @ 10:00am we will have a Cap and Ball Revolver event at the Pistol range. I'm sure we can come up with a taxman theme.

On Saturday April 29th @ 10:00am we will hold this years first single shot pistol event.

Beginning in May the Black powder shooters club will go back to its Tuesday 6:00 pm start time.

Rifle Range Rob Bolog

Too much happening to fit it all in the paper. You will have to come to the club to see! Thanks to Bob Schrock, Steve Tennyson, Dave White, Chad Marthey and Mark Payeur for all of the help. Great bunch of people.

Sausage Jam

The event was a ball! Great food music and friends. The next Jam Session is March 24th at 6:00pm following the Steak and Salmon dinner. The upstairs bar will be open. You will be surprised who some of the musicians are. Come to the club and check it out!

** SHOOTERS CORNER**

We are seeing an increase in damage to the ranges. This is our signal to bring the members in for training which we don't want to do right away. Let's increase our awareness on the ranges and thus increase time between safety training events.

WORK HOURS

Let's not forget about the 10-hour work requirement for all regular members. There will be a charge of \$10.00 per hour for hours "NOT WORKED" starting as of December 2005.

Grounds Maintenance. We need to clear some brush from a fence line. Contact Mark Payeur to volunteer. Phone #973-3060. This is a big project. Many hands make light work. Chainsaws and trailers would be helpful. Let's get this done before the weeds start growing. The job will go easier. Thanks for helping.

Mark Payeur.Grounds Chairman Annual Spring Cleanup Day is April 22, 2006. Please help get our grounds ready for another fun and exciting summer season at the Club. There is nothing else going on that day, so everyone should be able to come out and complain about sending in your taxes. Lunch will be provided for everyone who pitches in, and we all can accrue some work hours. Again the spring grounds cleanup day is April 22
