### AUGUST 2006 Presidents Report

The club seems to have a lot going on this summer. As usual we need more help with events.

I have been thinking of having a sign up sheet at all the orientations for people to sign up for when they join the club. It is amazing that when people start to come out and help at events they will continue to help at more events. They find that it is fun to help with something that they are interested in, and will keep coming back to help with other events.

The grounds are looking as good as I have seen them this year. Thanks to Mark Payeur, and his crew for keeping them up. The flowerbeds have been well taken care of this summer, and we will soon have the patio by the outside grill. I think the outside door to the grill will be done by this week's Steak Fry. Don't forget that next month, August; the steak fry will be for the "Relay for Life". It is one of the better things our club does for the community. Jerry, Sue, Jim, Gilda Chie could use a lot of help that night.

Also, this past month we had a group of Scouts for 3 days. It is one of the better things we have done as a club for the kids. It was good to see about 250 kids running around the grounds having so much fun. We did have the ranges closed while they were there, and no one seems to complain about it.

From what I see, the IDPA has been doing a great job, but I think they had some openings at the last match. This is a good way to practice with a pistol, and it is a lot of fun. It also does a lot to improve your shooting skills.

Rob has been slowly getting the range house ready for events. We are about ready to put electricity in it. It should be a great help during the Turkey Shoots, and other events.

On a more serious note, the Anti Hunters have been out in force lately. As usual they are not telling the truth about Dove Hunting.

I do not know if they are lying or just do not know the rules of hunting. They have brought many millions of dollars into the state to fight Dove Hunting, and it is going to be a hard fight to stop them. There are some flyers at the club for a fund raising project by the Michigan Chapters of the Safari Club. It will be in Burton Michigan.

Continued in next column

Enjoy your summer, and have fun at your club.

Your President  
William Feight

### Sportsmen's Choice Raffle

The **Winners Choice** raffle is almost complete and I want to once again thank all of the members who either bought or sold tickets. It is time to kick off the monthly raffle for next year. In an attempt to keep things fresh and try and improve on the success of last years raffle we have come up with a new idea. The monthly drawing will be for a \$400.00 gift card at a store or stores yet to be determined but Cabela's will be on the ticket for sure. This will provide winners with an opportunity to purchase the item of their choice, not just a gun. The tickets will still be priced at \$20.00. In addition, each member will receive credit for 1 hour worked for each ticket either sold or purchased by him or her upon receipt of the money and ticket stub. This will hopefully provide members with a new angle on getting their hours in. The **Winners Choice** raffle was a great success due to the large number of members we had helping to sell the tickets. Let's make these years **Sportsmen's Choice** raffle an even better success! The target date for the first drawing is going to be in November. I will keep everyone posted as we get tickets printed and details worked out. Feel contact me to sign up and sell tickets. [rtbolog@att.net](mailto:rtbolog@att.net) or call 276-6499. Thanks, Rob Bolog

### \*\* SHOOTERS CORNER\*\*

We are doing a fine job controlling our shooting. Thanks. Now we really need to supervise our guests, as they seem to be responsible for the majority of our new damage. You cannot supervise your guest if you are not right next to them. We allow three guests but you cannot in reality supervise more than one at a time. You have to be able to stop their mistake as it is happening. That is supervision! They do not know our rules nor have they been through our safety class. We appreciate your cooperation with the safety program at our club.

**\* Black Powder Shooter Club  
"Past & Future"**

Our first event in July "The Great Buffalo Hunt" went very well with the mad Hungarian stealing three of the five games played, and once he flipped his flint Dennis Schultz was able to give us all a demonstration on how to shoot a flintlock with precision, Dennis was that a 12 or 15 pound trigger?

Our July cap & Ball revolver event, "Carnival Fun", was not well attended, but those who showed up had a blast.

Coming events include a Rifle event, "Rendezvous Games", with five interesting games that include: Porcupine Group, Skunk's Tail, Red-Eye Whiskey, Duals & Coyotes in the Camp. This will be held on Tuesday August 1 with practice round & prep time of 5:30. The event will begin at 6:00. The Cap & Ball event in August will be on Wednesday, August 16<sup>th</sup> @ the Action Range. Once again prep time 5:30 and the games start at 6:00.

The events have Five poker games which include: Yellow jacket Poker, Dodge City poker, Indian head poker, Face cards, Aces & Eights and one-eyed Jacks.

All black powder events are open to all members as well as the Public.

Please call for more information before attending an event. There is a \$5.00 entry fee.
