### FEBRUARY 2007

#### President's Report

It is the time of year when things are a little slow at the club. If you are interested in getting some personal help from one of the Range Officers this might be a good time to come out. We do have a spot to warm up a little now.

We have not been watching to see that every one that comes into the club is signing in at the bar. We are trying to get some data on what is going on at the club, and we need people to sign in when they are there. This includes the President, Vice Presidents, board members and people working on committees. This is a protection for both the club and you.

We had the Appreciation Dinner last Friday night, and I thought it went well. I may be a little biased. We have a plaque for Member of the Year that will last for up to 18 years. 2 of the years have already been used. Last year we had Jerry and Sue Chie, and this year was Mark Payeur. You might want to look at it while you are in the club.

At the dinner we talked about some of the things we have done in the past year, and some of the things yet to do. We had a wonderful dinner by Brian Johnson and crew.

We are still having the dances most every Saturday. Jerry Miller has been working to make them more open and fun. Stay warm this winter and enjoy your club.

## THANK YOU

I would like to thank all who came out to help support and make a big success of the Sunday Breakfast. To all my help who did such a fantastic job on the breakfast that it made it a pleasure to work. We served breakfast to 126 people Sunday morning, January 7, 2007 that was 16 more than the Month before. It truly exceeds any expectations that any of us had when we started this. I can't thank all of you enough for the hard work you put in; I believe that if more of the new members would volunteer they would soon find out that it is a fun way to get your hours in. The next breakfast is on February 4th Rob Bolog will be the crew leader that day. Having enough people to serve the customers a high quality product is great. A special thank you to Rob Bolog for doing some much-needed running at the last minute. Once again, thanks for all of the hard work you put in. Jerry Chie

## Dance Committee

January 2007

The Dance Committee has begun a campaign to bring in more dancers to our Saturday night dances. February 17<sup>th</sup> we will be having a Neighborhood Valentine's Party to introduce our neighbors to our dances. Most people think that you have to be a member to attend.

We are going to introduce Dance Lessons starting this Saturday Night. If we get a response to this endeavor we will have lessons once a month. Each month will feature a different dance.

New Years Eve was a success and we have decided to continue with this dance. We had 40 of our members attend this Dance.

We have also created a 4-5 minute video for the orientation class to watch so that they can see what our dances are about.

Mr. Stu Davis has agreed to attend orientation to answer any questions anyone might have.

As always we are looking for more committee members. Contact Gerald Miller @ 734-429-2680 to either join the committee or work your club hours.
