President's Report

Kudos to all those who worked so hard on the Women on Target. It was one of the top events we have ever done. Everyone including the people working had a great time.

I would like it known by the membership that the clubhouse has been open on Sundays since the 2nd week in February. The only exceptions are when there is a rental on Sunday. That has happened twice since February. Bob Parent has been helping me keep it open along with Lance Monroe, and Dennis Osborn. We need one or two more people to set up a schedule so 1 or 2 people don't have every Sunday. If you can help please contact Bill Feight at 734-717-8112

July is going to be a very busy month. We have 2 Steak Fry's, a very large wedding, and a Car Show with breakfast and a Rib Dinner. There is plenty of opportunity to get in your hours, and we need the help. Enjoy the warm weather and your club, hit the backstop

Women-On-Target

Over 60 Tri-County members hosted 46 ladies for the First Annual Women-On-Target Instructional Shooting Clinic on Saturday, June 9th at the clubhouse and ranges. The purpose of the clinic was to introduce women to firearm safety and the shooting sports in an environment of fun and encouragement. The ladies fired nearly 10,000 rounds of ammunition as they rotated in groups to shoot rifles, pistols, large-caliber pistols, and shotguns. They also had the opportunity to try archery and a pin shoot. At least one-third of the ladies had never fired a gun before. They were treated to one-on-one coaching by experienced shooters from Tri-County at each station.

While the ladies had a great time at the event, no one anticipated the positive effect their contagious enthusiasm would have on the volunteers. As our coaches talked excitedly about the accomplishments of the ladies they helped, they actually shared the joy of success the lady shooters experienced. This event had more positive outcomes than anyone expected, and will surely be offered next year.

An eleven-minute video of the day, produced by member Jim Karenko, can be found on the home page of the Tri-County web site under Women On Target.

Another link at the same place will take you to over 400 photo images of the day taken by member Chris Sucoe's son Chris. Copies of the video can be purchased by sending an email to Jim at jpk@adm-video.com.

Sponsors of the clinic include –

The Firing Line indoor range in Westland, Shooters Services Limited gun shop in Livonia, Zap-Zone laser tag in Ann Arbor, Avon Cosmetics in Ypsilanti, and Militec, Inc., a firearms lubricant manufacturer in Waldorf, MD. Jerry Bolog, Rob's father, donated all the breakfast pastries. Special thanks go to these club members who together contributed over \$800 worth of ammunition, targets, and supplies to the Tri-County Women On Target Instructional Shooting Clinic: Earl Austin, Mike Berrera, Edd Carrico, Bruce Christie, Mike Cowhy, Dick Cupka, Marshall Hill, Al Lamoreaux, Chris Nelson,

Rick Parsons, Barb Paschka, Mark Payeur, Chuck Tellas, and probably several of whom we are unaware. Many others loaned their firearms to the club for the shooters to use.

The lady participants went home with a very positive impression of TCSL. Well done! Renee Tellas
